Thank You and Happy Holidays from United Freight

To our Partners,

As we head into the second half of November, we just want to say thank you. Your business and your trust mean everything to us, and we don't take either for granted.

The holidays are one of the busiest times of the year in the flooring industry, and our team is geared up and ready. With volume running high through November and December, we recommend building a little extra time into your schedules and getting orders to us as early as you can. A little planning ahead keeps everything moving smoothly for you and your customers.

Have an order that needs to get there fast? Just let us know, and we'll be ready to expedite it. As always, we're just a phone call away at 602-256-9470, or you can email us at customercare@ufs.net.

Thank you for being part of the United Freight family. We wish you and your team a happy and safe holiday season.

Warm regards,

Your team at United Freight Service
